Trap league: winning teams are being calculated.

Up-coming shoots:

- Trap Provincial Championships at Brandon, July 9, 10 & 11

Ladies Program:

It's over, the graduating class consisted of: Susan Konopski, Pat Anderson, Melanie Burt, Natalie Bays, Susan Witherly and Ashley Jonasson.

Thank you Stan Orr for volunteering and running this worthwhile program.

Trap:

The last two MTA ATA shoots have had great attendance and members from the WTSC have made a fine account of themselves...such a weather dependent sport!

Next Monday is the last night for Junior trap. The wind-up will include the chance for the new young trap shooters and their parents to try some International Trap as well as some skeet to round out the course. I have attached the Junior Trap Newsletter from Lorne Ross. Speaking of Lorne...we are so lucky, not just at the WTSC, but the entire Province of Manitoba for the excellent Junior Programs that he runs each year and he continues to be one of the best trap shooters in the Country...well done and thanks Lorne! Thanks to all of Lorne's helper too!

For the Junior Trap wind-up, the shooters will be provided with 10 free shells and targets to try International Trap. Any junior who wishes to shoot the Nationals will have their entry fee paid. The Junior trap round price of \$4.00 will be extended to include International Trap practice. The Junior is required to also shoot the Provincials.

Congratulations to Harry Humby on shooting 100 straight at the ATA shoot in Pembina. Well done Harry! Token machine usage pays off!

Duck tower: Games are coming!

White Target Surprise:

A random number of white clay targets are going to be inserted into both the trap and skeet machines over the next few weeks. Should one of these targets appear for and you successfully break it, report this to Louise and you will receive a free round and also have your name entered into a year end draw for a prize.

Volunteer thanks:

Flower bed enlargement and redesign has been completed thank you to Patricia Anbderson for organizing and planting with help from George McGowan, Melanie Burt, Ronald Caskey.

Derek Smith and Julius Waedt are putting the finishing touches on the rolling roof on trap house 4.

Volunteers Section: *(by Brian Konopski: Volunteer Program Coordinator email: bkonopski@winnipegtrapandskeet.com).*

Volunteers are still needed for roles on upcoming shoots. Please see the sign up sheets in the club for these events.

Membership cards:

If you do not have a membership card please let Louise know so that it can be printed.

Gun Raffles:

If you have unsold WTSC Land Purchase Account gun raffle tickets or money from sold tickets, please turn them into Louise. Each book of tickets you sell is worth 2 volunteer points.

House and Grounds news:

Still waiting for dry enough weather to spray for weeds and to use Round-up around the concrete pads. A few dry days before and after application of these products is needed, - or we have just wasted our money, as the product gets washed away. Ian Wood is keeping a close eye on the weather and is ready to jump to the spray as soon as the weather gods allow.

International Bunker news:

Prairie winds....who would have thought that the winds over the last weekend would be strong enough to collapse a steel sun canopy (without the canvas install), that I had begun erecting for the Provincials and Nationals. I guess I should have spiked it into the ground immediately. I am looking for a similar donation of a canopy to be used as sun shelter for the north bunker during the Nationals....any offers?

Juniors interest in shooting International Trap should contact David Mossdrop (dmossdrop@winnipegtrapandskeet.com) or see me at the bunker some night.

Board of Directors news:

There is a Director-at-large position on the board available.
Please contact the President if you are interested.

Things to watch for:

- Shooting leagues: Sporting Clay
- WTSC crested clothing to purchase...they are really nice...see order form on web site under store

June 21, 2010 Winnipeg Junior Shotgun Update

The Manitoba Junior Shotgun Provincials (MJSA) are this **Sunday June 27**, 2010 at the Lakeshore Gun Club, Lundar Manitoba. Map to Gun Club is available tonight. Lundar is about one hour north of Winnipeg on Highway #6. Registration is between 9:30 and 10:00 am. The event should conclude by 4pm.

In the past this event has been very successful because of strong representation by our club. If you can attend it will be very much appreciated by MJSA and myself.

The event is a 100 target event. The entry fee is one book of MJSA raffle tickets and this gets you the targets, 4 boxes of shells, lunch and trophies.

All raffle tickets should be turned in tonight or bring them to Lundar if you are attending.

Next **Monday night (June 28)** is our last night for the program this year. We will have a wind-up with food, refreshments and prizes (Only Juniors eligible for prizes). The menu will be rye bread, cold cuts, chips, cheese, pickles and dessert. Parents/grandparents are invited and encouraged to shoot this evening if they wish. We will have a variety of targets to (hopefully) include skeet, trap, international trap and the popular turkey shoot. The cost of supper will be whatever you wish to donate (small donation to offset).

In order to estimate how much food will be required it would be **appreciated** if you could **advise** the squadding table of how many will be **attending**.

Cost for Juniors will be 2 tickets (\$8.00). Adults will be 2 tickets (\$12.00) plus \$3.00 for liability insurance unless the adult is already a member of the WTSC.

This is the last night that Junior tickets can be used. Refunds are available on any unused tickets.

Thanks for participating this year and we look forward to seeing everyone at the club over the summer and again next year.
