

Oooops:

In my report on the MB Junior shoot I mistakenly called Hayley Harvey, Hayley Cameron (her brother's name)...sorry about that. Nice shooting Hayley!

Token Machines:

Why not take advantage of the nice weather? These machines are willing, ready and able for you to shoot any day of the week. If you have not already taken the short training course and signed the usage wavier, please see Louise the next time the club is open to get set up to use the token systems (both trap and skeet). Reminder: When using the token machines during off hours please fill the machines after you are done shooting. Thank you.

On the tournament trail:

Harry Humby was waving the Canadian and Manitoba flag last weekend south of the border. They are finally catching up to him, he shot for the first time in A-class...well done. He won the mid-distance handicap event.

The Jones were in Saskatchewan and made out like bandits...not sure they will be invited back!

Leagues:

Skeet League: Is coming to a close, if you have not finished your rounds time is running out. Stay tuned for the next league being offered – rumor has it that Stan might start up a 5-stand league. For further details please see Stan Orr. Sign-up your team and pay at the same time, or sign-up singly and teams will be randomly assigned.

Trap league: Stan tells me there WILL be shoot-offs at the wind-up dinner!

Welcome New Members:

Welcome to James Knight.

Blast from the Past:

This new section will feature achievements and news items from the rich history of the WTSC. If you have stories or ideas, please email them to me.

Volunteer thanks:

I want to thank Ken Wight and Lorne Ross for mentoring a group shoot on Monday night. The private group had a great time although the event was cut short due to heavy rains, cherry size hail and the appearance of a near funnel cloud. The real tornado happened near OakBank, not OakBluff...well close enough.

Be kind to your volunteers:

"Volunteers are somebody! Somebody who cares, somebody who devotes time without pay, somebody who praises all, large or small and somebody who has a common bond with others to make things better."

Volunteers Section: (by Brian Konopski: Volunteer Program Coordinator email: bkonopski@winnipegtrapandskeet.com).

Do you need to get some volunteer points in? Louise Curé is looking for people to help with the marking and canteen at our Grand Alternative trap shoot on August 14th & 15th. **Each day is worth 8 points.** If you are available please contact Louise at the club (or at LCure@rrc.mb.ca) or myself.

Louise is also looking for help with moving targets from the boxcar into the houses on Thursday evening at approximately 7 pm.
Thanks!

Duck tower: Games are coming!

White Target Surprise:

A random number of white clay targets are going to be inserted into both the trap and skeet machines over the next few weeks. Should one of these targets appear for and you successfully break it, report this to Louise and you will receive a free round and also have your name entered into a year end draw for a prize.

Membership cards:

If you do not have a membership card please let Louise know so that it can be printed.
